

Screenwash	INCI NAME	DESCRIPTION
FH Spolarvätska EU1		Etanol 96%, Fullständigt denaturerad för spolarvätskebruk
EAF Spolarvätska -75		Spolarvätskekoncentrat, tillgängligt utblandat 1:1, 1:2
EAF Spolarvätska -65		Spolarvätskekoncentrat med 10% vatten, tillgängligt utblandat 1:1, 1:2

Coolants and Antifreeze	INCI NAME	DESCRIPTION
EAF Coolant BS6580		Standard BS6580 Grade, made in Kalmar
EAF Coolant Longlife		Longlife grade, made in Kalmar
Coolant OEM 774C		OEM Quality, approved for several major OEMs
Coolant OEM 774F		OEM Quality, approved for several major OEMs
Coolant OEM 774G		OEM Quality, approved for several major OEMs
EAF Coolant MPG		BS6580 Grade Coolant based on MPG, Coloured Green.

HTF and Cooling/Thermo-Liquids		
Zitrec FC		FDA Approved heat transfer glycol made for life science applications
Zitrec LC		MPG based heat transfer glycol made for low toxicity applications
Zitrec MC		MEG based heat transfer glycol made for high efficiency and low price
Etycool 10		MEG based heat transfer glycol made in Kalmar, equal to Zitrec MC and Dowcal 100
Propycal 20		MPG based heat transfer glycol made in Kalmar, equal to Zitrec LC and Dowcal 200
Hycool 50/45/20		Potassium formate, heat transfer fluid made for low toxicity applications
Brine 25		Potassiumchloride solution with corrosioninhibitor
Alcocool KBS		Ethanol based heat transfer fluid made for applications where environmental issues might be a factor

### Fuels

Alkylate Gasoline	Alkylated Gasoline, better for the work environment and for the machines
NexBTL Renewable Diesel	HVO Diesel, higher quality diesel made from a renewable source.

### Automotive

EAF Degreaser 230	Odourless degreaser, works on wet surfaces
EAF Degreaser 250	Odourless degreaser, works on wet surfaces,
EAF Degreaser 220	Highly efficient degreaser containing aromatics, powerful odour
EAF Alkaline power wash	Alkaline power wash, diluteable to 1:50
Scafi 101	Degreaser made for asphalt and bitumen applications
Bio 101	Degreaser made for asphalt and bitumen applications
