

CAVAMAX® W6 ALA

CYCLODEXTRIN INCLUSION COMPLEX

Product description

Structural formula:

Physical state: solid - powder
Colour: pale yellow

CAVAMAX® W6 ALA is an alpha-lipoic acid alpha-Cyclodextrin inclusion complex. It is produced by Wacker Chemical Corporation.

Ingredients:
alpha-Cyclodextrin CAS no 10016-20-3)
alpha lipoic acid (CAS no 1077-28-7)

Storage

CAVAMAX® W6 ALA should be stored in the dark, dry at cool to room temperature. It is recommended to store CAVAMAX® W6 ALA in the original unopened container, under suggested storage conditions. Reclose immediately after opening, as the material is sensitive to light. CAVAMAX® W6 ALA has a shelf life

of six month from the date on the delivery note.

Storage beyond the date specified on the label does not necessarily mean that the product is no longer usable. In this case however, the properties required for the intended use must be checked for quality assurance reasons.

Packaging

Units of 10 kg , 100 lb

Safety notes

Comprehensive instructions are given in the corresponding Material Safety Data Sheets. They may be printed via WACKER web site <http://www.wacker.com>.

The data presented in this leaflet are in accordance with the present state of our knowledge, but do not absolve the user from carefully checking all supplies immediately on receipt. We reserve the right to alter product constants within the scope of technical progress or new developments. The recommendations made in this leaflet should be checked by preliminary trials because of conditions during processing over which we have no control, especially where other companies' raw materials are also being used. The recommendations do not absolve the user from the obligation of investigating the possibility of infringement of third parties' rights and, if necessary, clarifying the position. Recommendations for use do not constitute a warranty, either express or implied, of the fitness or suitability of the products for a particular purpose.

The management system has been certified according to DIN EN ISO 9001 and DIN EN ISO 14001
