16.6

17. INTELLECTUAL PROPERTY

17.1 The Buyer shall indemnify Brenntag against all costs, claims, losses, expenses and damages incurred by Brenntag, or for which it may be liable due to or arising directly or indirectly out of any infringement, or alleged infringement, of all and any Intellectual Property occasioned by the importation, manufacture or sale of the Goods if made to the specification or special requirements of the Buyer.

If the Buyer fails to do so or the Buyer makes use of the Goods after giving such notice, the Goods shall be conclusively presumed to have been received and accepted by the Buyer without any claim for any defect, shortage, damage or loss.

18.2 In the event of a valid claim for defect, loss, damage, or non-compliance with the Contract or non-delivery, Brenntag undertakes at its option either to repair, reprocess or replace the items concerned at its expense but shall not be under any further or other liability in connection with such non-delivery, loss, damage or non-compliance.
