Dr. Colin von Ettingshausen elected to the Board of the German Chemical Distribution Association (VCH)

Brenntag, the global market leader in chemicals and ingredients distribution, provides with Dr. Colin von Ettingshausen a member of the newly elected Board of the German Chemical Distribution Association (VCH). In the secret election held during the General Assembly on September 28, 2021, the association members voted for the 50-year-old, who has been Chairman of the Executive Board of Brenntag GmbH Essen and President Brenntag Essentials of the DACH region since May 2021.

Colin von Ettingshausen: "I am very grateful to the members of the association for the trust they have placed in me, and I am looking forward with great drive to the tasks we will be tackling together with our member companies over the next years. An exciting road lies ahead of us, which I will actively shape on behalf of Brenntag in Germany."

Following this election, von Ettingshausen is a member of the VCH Board of Directors for a period of three years. The nine-member Board manages the association and has the directional authority with regard to the association's policy. The main topics of the association include, for example, all issues relating to domestic and foreign trade, sustainability, responsible care and digitalization.

Christian Westphal, President VCH (TER Group, Hamburg): "We are very pleased to welcome Brenntag and Colin von Ettingshausen, an important member company, to the VCH Board. With him and the entire Board, our successful association will continue to have decided expert knowledge from all sectors of chemical trading in the future."

About Brenntag:
Brenntag is the global market leader in chemicals and ingredients distribution. The company holds a central role in connecting customers and suppliers of the chemical industry. Headquartered in Essen, Germany, Brenntag has more than
17,000 employees worldwide and operates a network of more than 670 sites in 77 countries. In 2020, Brenntag generated sales of around 11.8 billion EUR. The two global divisions, Brenntag Essentials and Brenntag Specialties, provide a full-line portfolio of industrial and specialty chemicals and ingredients as well as tailor-made application, marketing and supply chain solutions, technical and formulation support, comprehensive regulatory know-how, and digital solutions for a wide range of industries. In the field of sustainability, Brenntag pursues specific goals and is committed to sustainable solutions in its own sector and the industries served. Brenntag shares have been listed at the Frankfurt Stock Exchange since 2010, initially in the MDAX and since September 2021 in the DAX. In addition, the Brenntag SE shares are listed in the DAX 50 ESG and DAX 50 ESG Target. For more information, visit www.brenntag.com.
