

# POLYMERS UK & IRELAND

## Product List

### KEY FACTS

- Development laboratory for colourants
- Technical advice and support for projects
- Advice on legislation such as REACH and the Biocidal Products Regulation
- Comprehensive product portfolio
- Proactive product development
- Worldwide sourcing capabilities through our Global Sourcing Organisation
- Flexible logistics from a single bag to full containers

**BRENNTAG POLYMERS HAVE A VERSATILE AND EXPANDING RANGE OF ADDITIVES, MODIFIERS, PROCESS AIDS, COLOURS AND SPECIALIST POLYMERS SUPPORTED BY OUR TEAM OF CREATIVE, EXPERIENCED TECHNICIANS WHO CAN WORK WITH YOU TO DELIVER OPTIMUM FUNCTIONALITY.**

Our dedicated experts are always up-to-speed on the latest developments in the polymers and thermoplastics markets and embrace new innovative solutions and ideas to the benefit of our customers. We provide our customers with the advice in order for them to achieve the technical demands of their markets from the everyday to the most demanding.

Please see overleaf for a representation of our products and application areas.
