PULP & PAPER UK & IRELAND

Product List

BRENNTAG PULP & PAPER IS A LEADING SUPPLIER OF INDUSTRIAL CHEMICALS AND COLOURS TO THE PAPER INDUSTRY. TO COMPLEMENT OUR ALREADY EXTENSIVE PRODUCT PORTFOLIO WE HAVE DEVELOPED A RANGE OF SPECIALTY CHEMICALS TO OFFER OUR CUSTOMERS GREATER CHOICE AND FLEXIBILITY.

We are able to offer a comprehensive package of technical support through on-site visits, training sessions and knowledge sharing about the market through in-depth workshops. In an ever changing market, Brenntag can always provide a quality and dedication to our customers through our comprehensive sales and logistics network.

We can source products for specific applications and new product development through our global network of suppliers in order to meet your individual needs.

KEY FACTS

- Extensive laboratory and blending facilities
- On-site technical advice and support
- Provision of operator training and workshops
- Advice on legislation such as REACh and the Biocidal Products Regulation
- Comprehensive product portfolio
- Worldwide sourcing capabilities through our Global Sourcing Organisation

Please see overleaf for a representation of our products and application areas.
